Subject: H.B. 5461

Dear Lawmaker:
I urge you to support H.B. 5461

- H.B. 5461 would expand the out-of-state market for older Connecticut motor vehicles and enhance their value to collectors. At the current time, out-of-state buyers have considerable trouble when trying to register a car in many states that REQUIRE titles.
- H.B. 5461 authorizes the state to charge the vehicle owner for the administrative cost of issuing a certificate of title. This legislation will need state taxes and would lessen the load on DMV for in and out of state sales.

Overview: Legislation (H.B. 5461) to require the state, upon the owner's request, to issue titles for older vehicles not currently required to be titled under Connecticut law will be considered by the Joint Transportation Committee on Wednesday, March 2, 2016. These vehicles would include those more than 20 model years old.
